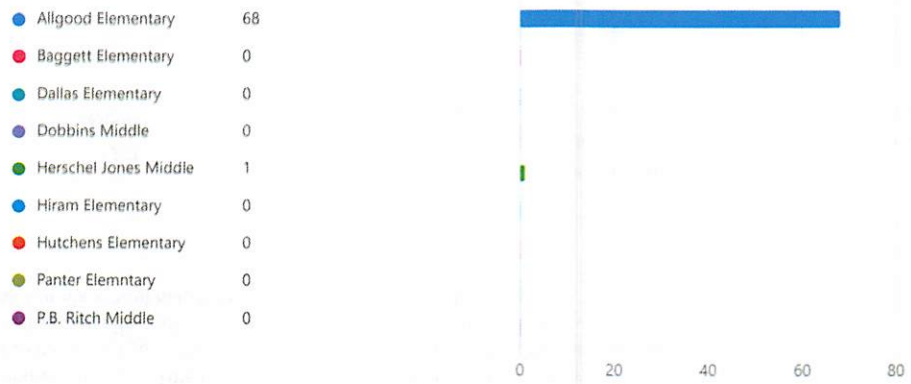
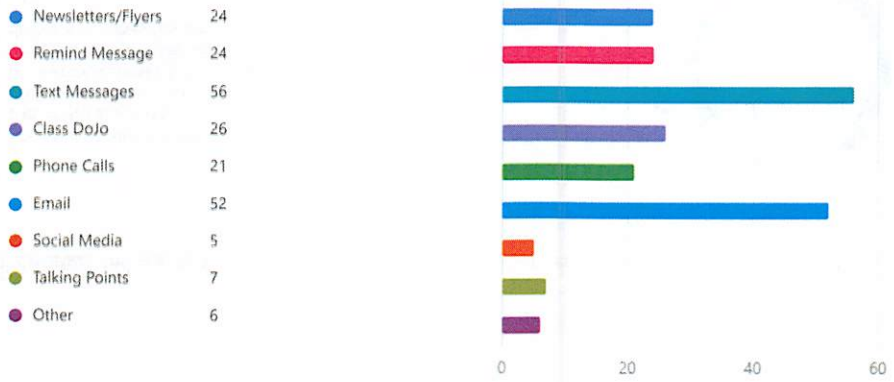
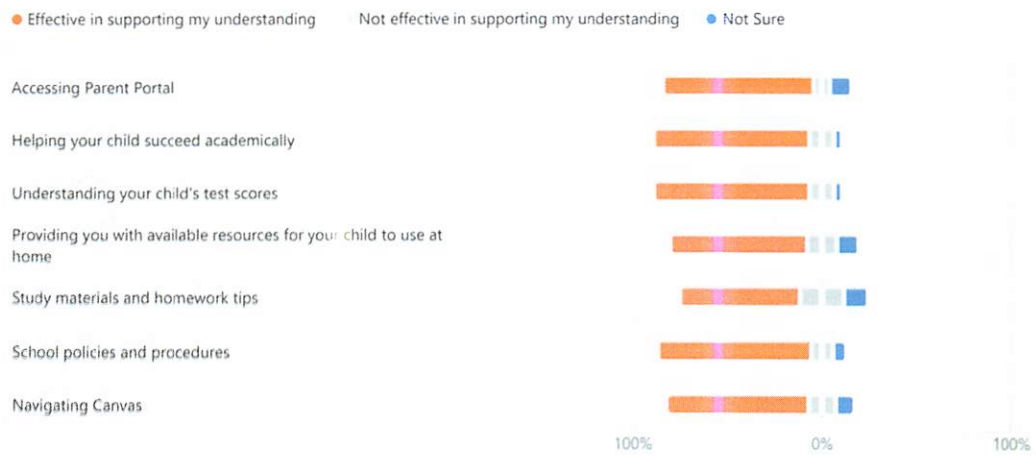
1. Select your child's school.



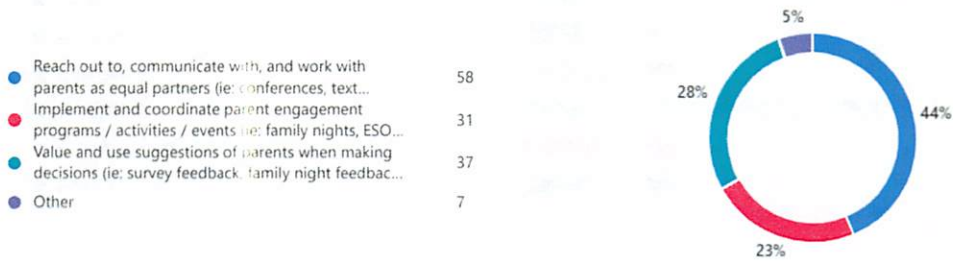
2. In what ways do you prefer to receive **communication** from your child's teacher and our school? Check all that applies.



3. Which of the following topics was your child's school **effective** in supporting you in understanding? These topics were shared at Family Nights, Curriculum Nights, Parent Teacher Conferences, and through newsletters or other communication methods.



4. How can **administrators and teachers** build partnerships with parents and families to improve student achievement?



5. Our district and school have a **Title I Parent Engagement Plan** (which can be found on the school website and in the Parent Resource Center) that describes the activities that we offer to show families how to help their students at home.
We believe that students do better when the school and families work together.
In what ways can the school help better support you and your family?
